

Marson Rivet Installation Tooling

Reliable, cost-effective & easy to use, the Marson range includes high quality manual and power installation tools. From hand-riveters to heavy-duty power tooling, Marson has the right tool for the job.

Pneumatic Tools - V Series

The Marson V-Series range is ideal for the low volume rivet user, looking for cost-effective and reliable pneumatic installation tooling.

V-Series tools install rivets in all materials and each tool is supplied with anvil inserts for applicable sizes.

	V-2/79014	V-3/79050	V-4/79060
Capacity / Installs	3/32" - 3/16"	1/8" - 3/16"	3/32" - 1/4"
Pulling Force	1,940 lbs	1,983 lbs	3,055 lbs
Stroke	.551"	.551"	.562"
Weight	3.2 lbs	3.2 lbs	4.2 lbs

Battery Tools

Marson is making fastener installation more efficient than ever with its new range of battery-powered cordless rivet tools.

- Each tool kit includes a tool, Lithium-Ion battery, charger and carry case
- Light weight with ergonomically designed soft hand grips that reduce vibration and fatigue
- Long battery life and quick recharging (approx 30 minutes)

	BT-2A (Part Number M39480)	BT-3 (Part Number M38980)
Capacity	3/32" (2.4 mm) - 3/16" (4.8 mm)	3/16" (4.8 mm) - 1/4" (6.4 mm)
Anvil inserts included	3/32", 1/8", 5/32" and 3/16"	5/32", 3/16" and 1/4"
Optional anvil inserts available	3/16" rivets	3/16" and 1/4" rivets
Stroke Length	0.83" (21mm)	1.18" (30 mm)
Pulling Force	2,248 lbs (10,000 N)	4,600 lbs (20,000 N)
Weight (with Li-ion battery pack)	4 lbs	4.4 lbs
Battery Pack	16 V / Li-ion / 2.0 Ah	20 V / Li-ion / 2.0 Ah

Hand Rivet Tools

Marson hand tools offer quick changing anvil inserts to save time when switching between diameters.

HP-2 (Part Number M39000)

The HP-2 is the number one selling hand riveter in the industry, known and trusted for its durability, quality and performance.

- Installs up to 3/16" steel rivets
- Includes four anvil inserts (3/32", 1/8", 5/32" and 3/16") and a service wrench.

SP-1 (Part Number M39005)

The high strength steel body and cast aluminium head complement this new design in a swivel head hand riveter.

- Swivel head turns 360° and holds in place in over forty positions
- Installs up to 3/16" steel rivets
- Includes built-in threaded anvil insert storage holes and a service wrench.

Big Daddy (Part Number M39031)

The Big Daddy is the most versatile and powerful Marson brand hand riveter, taking the hard work out of setting large diameter blind rivets.

- Installs 1/8" to 1/4" diameter non-structural rivets in all alloys
- Includes a range of anvil inserts which are neatly stored in the tool body.

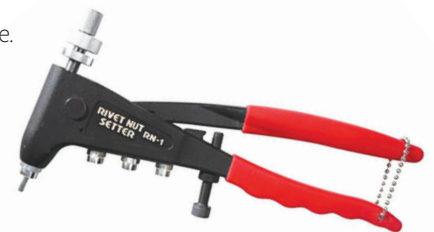

Rivet Nut Setters

RN-1 (Part Number M39300)

The next-generation in Rivet Nut Setters, this hand tool has a longer handle for improved leverage.

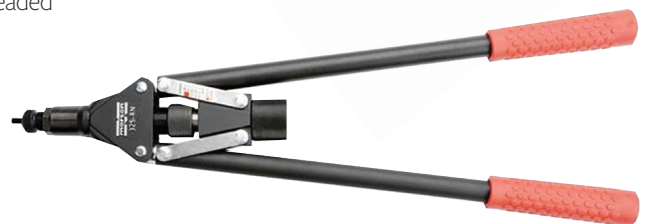

- Ergonomically designed, with a precision die-cast body of high-strength aluminium alloy
- Installs all sizes of rivet nuts and threaded inserts up to 1/4"-20 and 6mm threads in steel
- Includes 8-32, 10-24 and 10-32 mandrels and anvil inserts.

325-RN (Part Number M34604)

This heavy-duty thread setter is ideal for installing larger sized rivet nuts / threaded inserts in aluminium and steel.

- Installs 10-24 to 3/8"-16 and 5mm to 10mm threaded inserts
- Extra-long handles provide excellent leverage and permit working a foot beyond natural reach.
- Supplied with 1/4"-20 mandrel and anvil insert.

Many of our hand tools are also available in kit form, including a tool and a selection of rivets/rivet nuts.
